

Installing arm protector for Kicker

IT IS RECOMMENDED TO USE VELCRO OR HOOK AND LOOP TAPE (BETWEEN THE ARM AND THE PROTECTOR) IN ORDER TO KEEP THE ARM PROTECTOR IN PLACE.

1. Open the Kicker arm.

2. Prepare the foam protector.

3. Put the foam protector around the Kicker arm.

4. Unhook the Velcro/ hook and loop fastener of the leather protector. Fasten the leather protector around the foam protector.

5. Check if the protector is fully fastened and placed properly before using the machine.
